Message from His Excellency Mr HAYASHI Hajime, Ambassador of Japan to the UK

**H.E. Mr HAYASHI Hajime,
Ambassador of Japan**

It is my utmost privilege to welcome you to Trafalgar Square for the 13th Japan Matsuri festival. We are delighted and excited to showcase the tradition and diversity of Japan in the heart of London.

This much-loved event is due to take place for the first time in four years after the pandemic. Japan Matsuri consists of a varied programme, which will give you a true sense of Japan. You will have the chance to experience traditional culture and martial arts, as well as contemporary offerings such as music and dance. There is also the chance to taste the culinary delights which Japan has to offer.

A dedicated group of UK-based Japanese and British people with links to Japan are working together as a team to realise an enjoyable and exciting occasion. An undertaking such as this would not have been possible without the hard work, time and dedication given by so many enthusiastic volunteers alongside the considerable generosity of the sponsors. I would like to express my sincere appreciation to Japan Matsuri Ltd – which consists of the Japan Association in the UK, the Japanese Chamber of Commerce and Industry in the UK, the Japan Society and the Nippon Club – for arranging this event, and also to the Greater London Authority and the City of Westminster Council for their kind assistance. I hope you all enjoy this year's Japan Matsuri.

Please immerse yourself in the sights, sounds and flavours that make Japan so unique. Japan Matsuri is waiting for you!

YOUR
BOLOGNESE
WILL THANK
YOU.
